Captivating Sunsets

Built by Lee Hutchinson, this gorgeous golf course home is a celebration of architectural detail and luxurious features. Set on a large lot overlooking the 10th fairway of Troon Golf Course, this home combines superb craftsmanship with spectacular city views to create a one-of-a-kind premium home.

The 5,085 sq ft of living space offers four bedrooms, four bathrooms, an office with built-in desk and shelving, plus multiple living areas. From the purpose-built fitness room to the open-concept family room, everything is of a grand scale while stunning timber features and Southwest inspired styling throughout create a sense of grandeur and also functionality. Outside, the expansive rear patio, stunning negative edge pool, fire pit and built-in barbeque make this the ultimate space for entertaining family and friends. Relax in the pool and take in the views over the fairway and out to the mountains, cozy up by the fire or host friends for sunset cocktails; the outdoor living is certainly one of this home's best features.

The main living space is simply stunning with exposed timber beams, soaring ceilings, fireplace and banks of windows with French doors that open out to the covered patio. The master suite is just as impressive with an oversized ensuite, high ceilings and access to a private balcony with city views.
